## LIMITED WARRANTY

Pine Door Manufacturing, Inc. (PDM) warrants that each door it sells is free from unnatural defects in materials or workmanship that would render said door unserviceable or unfit for the ordinary recommended use for a period of one year for exterior doors and five years for interior doors from date of shipment. Should a PDM stile and rail door fail to conform to this written warranty, PDM will, at its option, either repair the door, ship a replacement to the distributor or person making the warranty claim in the same condition as the door originally sold or refund the original purchase price.

PDM shall not be responsible for the cost of the labor, installation or finishing of the replacement or original door for any other cost relating to the replacement of the door.

Natural variations in the color, texture or grain of the wood are not to be considered defects. Proper finishing, maintenance, and handling are specifically made a condition of this guarantee. Please see our Care & Handling and Finishing Guides.
